One Remote Control is all you need !

Greatest Comfort and be in Total Control never before

- **No interruption:** No more “can someone turn off the lights please” during presentation in the meeting.
- **Enjoy your sleep:** Turn off lighting/TV/VCD etc. in your bed even if you are too sleepy to walk to the switch.
- **Automatic:** Control light/fan/TV/VCD/Air-con at any time you wish automatically even if no one is around.
- **Be Independent:** No help needed to ON/OFF lighting for the old, handicapped and small children.
- **All-in-one:** Too many bulky remote controls ? one for TV, one for VCR, one for CD, one for Air-Con etc. Now, use only one 10-in-1 remote control to control all your appliances including lighting and fan too !
- **Convenience & Comfort:** Controlling (on/off/dimming) lighting at where you are - in the comfort of your sofa or bed. Good for multiple lighting with IC control. No need to install 2-way switch any more.
- **Save Money:** No more sleeping with the light ON all night.
- **Timer Control:** Built-in Timers – Count down timer, Interval timer & 24-Hour timer.
- **Safety:** No danger in controlling lighting even if your hand is wet.
- **Personal:** Portable and user programmable for personal use.
- **Expandable:** Sensor and control can be used separately, together or in a number of possible combinations.
- **Your Personal Assistant in these places:** Conference room, training room, meeting room, bedroom, living room or anywhere that needs remote and/or timer control or ALL-in-ONE control.

More Innovative Products (Visit Website: www.ai-m.net for more information)

- **Complete All-in-one Control:** Remote, Alarm, Telephone, Internet, Computer, Timer and Manual Control
- **Energy Saving Type Multi-channel Remote Control Switch / Dimmer:** 1 to 3 gangs upto 5KW
- **Multi-function Virus & Smell Killer:** Create Hygienic and Healthy Environment - Maintenance free
- **Direct Energy Saver for lighting and Air-conditioner:** 25% for lighting and 18% for Air-conditioner
